Job Description

Job Description Summary

Clinical Assistant Professor. This twelve-month, non-tenure-track position in the Department of Curriculum & Teaching begins August 2024. The 12-month appointment will include teaching undergraduate and graduate foreign language education courses. The individual will be responsible for expanding the foreign language program. In this role, they will focus on developing and implementing a strategic marketing plan for the foreign language education program and making necessary curriculum revisions that align with current best-practices in foreign language education. A successful candidate will also teach a class in disciplinary literacies each semester for the reading education program. Review of applications will begin February 16th and continue until the position is filled. The Department of Curriculum and Teaching is housed in the College of Education. The department
