The qualifications for this position include at a minimum:

- An earned doctoral in special education with a background in any area of disability
- Distinguished scholarly record focused on technology applications in special education including instructional, assistive, distance learning, or other forms of technology
- Demonstrated success in securing and administering projects and grants related to the use of technology in special education
- Acknowledged excellence in teaching with special emphasis on mentoring doctoral students
- Commitment to diversity
- Exemplary record of providing leadership to schools, agencies, and professional organizations that improve the education and quality of life of individuals with disabilities

The endowment supporting this position provides monetary support to further the faculty member's research activities and may be used for graduate student support, travel, equipment, and other research materials.

To apply, please be prepared to upload the following:

- 1) Curriculum Vita - Upload under Curriculum Vita
- 2) Cover Letter - Upload under Cover Letter
- 3) Statement on Diversity, Equity, and Inclusion - Upload under Specific Request 1
- 4) Statements on Teaching and Service - Upload under Specific Request 2
- 5) Statement on Research - Upload under Specific Request 3
- 6) 3 Publications/Writing Samples - Upload under Writing Samples
- 7) Names and contact information for 3 Recommendation Letters (they will be sent a separate link to upload their reference letter)

Questions regarding the position may be directed to Dr. Melinda Ault, Department Chair,
Melinda.ault@uky.edu

Review of applications begins April 17, 2024.
