practice as well as teaching of clinically-based courses or content pedagogy courses.

Faculty will be expected to collaborate with faculty colleagues and support teacher candidates in Early Childhood Education. This may include teaching graduate or undergraduate courses, supervising teacher candidates in field placements, developing and maintaining relationships between the Hunter College and cooperating teachers in partner schools, In addition, duties may include providing training and support for adjunct faculty of clinical courses and serving on departmental or school of education committees.

Hunter is committed to active engagement with students and the community at large, and embraces equity, inclusiveness, and global awareness in all dimensions of our work.

QUALIFICATIONS

Lecturer: Bachelor's degree required, Master's degree preferred.

Doctoral Lecturer: Doctorate required for Doctoral Lecturer.

Significant experience in P-12 settings required.

Applicants should have an extensive experience and knowledge of theory and practice in early childhood education. In addition, applicants should have university teaching and supervisory experience and competence in utilizing technology as an educational tool. As a public urban institution, our curriculum, scholarship and school partnerships reflect a commitment to equity, advocacy and educating a diverse student population. We value candidates who have a demonstrated commitment to work in multicultural and urban settings

COMPENSATION

CUNY offers faculty a competitive compensation and benefits package covering health insurance, pension and retirement benefits, paid parental leave, and savings programs. We also provide mentoring and support for research, scholarship, and publication as part of our commitment to ongoing faculty professional development. Salary commensurate with rank, education, accomplishments and experience, within the approved range for this position (Lect: \$45,750-\$82,709, Doc Lect.: \$50,051-\$87,628).
