Downloaded On: May. 24, 2018 11:00pm

The Department of Curriculum and Teaching in Hunter College's School of Education seek candidates for a tenure track, open rank position (Asst, Assoc, or Full Prof.) in Mathematics Education effective Fall 2018.

Duties associated with this position include: 1) teaching graduate and undergraduate courses in Childhood Education Programs, 2) engaging in research, scholarly writing and grant work, 3) serving on program, department, school, college and university committees, where appropriate, and 4) student advisement.

Hunter is committed to active engagement with students and the community at large, and embraces equity, inclusiveness, and global awareness in all dimensions of our work.

#### QUALIFICATIONS

Ph.D. degree or equivalent Doctoral Degree in Mathematics Education or in a related field. Evidence of successful teaching and demonstrated record of scholarship.

The preferred candidate will have a strong research agenda that relates to important questions about mathematics education, learning, teaching, or mathematics teacher education. Candidates with 3+ years of teaching experience in K-6 grades are highly desirable. The preferred candidate will also be able to teach graduate and undergraduate courses in mathematics education, as well as engaging in collaboration with local schools. As a public urban institution, our curriculum, scholarship and school partnerships reflect a commitment to equity, advocacy and educating a diverse student population. We value candidates who have a demonstrated commitment to work in multicultural and urban settings.

#### COMPENSATION

CUNY offers faculty a competitive compensation and benefits package covering health insurance, pension and retirement benefits, paid parental leave, and savings programs. We also provide mentoring and support for research, scholarship, and publication as part of our commitment to ongoing faculty professional development.

#### HOW TO APPLY

Applications must be submitted online by accessing the CUNY Portal on City University of New York job website ( <http://www.cuny.edu/employment.html> or [www2.cuny.edu/employment](http://www2.cuny.edu/employment) ) and following the CUNYfirst Job System Instructions. Current users of the site should access their established accounts? new users should follow the instructions to set up an account. To search for this vacancy, click on Search Job Postings, under Employment Opportunities, select More Options To Search For CUNY Jobs and enter the Job Opening ID then click Search. The required material, as stated on the CUNYfirst vacancy notice, for the application package must be uploaded as ONE file in .doc, .docx, .pdf, .rtf, or text format. Incomplete applications will not be considered.
