semesters. The specific courses involved may vary from semester to semester and openings to teach these courses develop on a periodic basis, depending on department teaching needs.

The anticipated need may include but is not limited to:

Candidate will provide math support for Teach North Texas in both TNTX and EDCI courses. Reviewing of student created lessons and units and coaching of TNT students in the teaching of content. Additionally, the candidate will provide evaluation and feedback of candidates during field experiences.

**Minimum Qualifications:**

Bachelor's degree in Science, Mathematics, or Computer Science or related degree. Experience working with teachers during instruction (e.g., mentor, lead teacher).

The University of North Texas System is firmly committed to equal opportunity and does not permit - and takes actions to prevent - discrimination, harassment (including sexual violence), and retaliation on the basis of race, color, religion, national origin, sex, sexual orientation, gender identity or expression, age, disability, family status, genetic information, citizenship or veteran status in its application and admission processes, educational programs and activities, facilities, and employment practices. The University of North Texas System immediately investigates and takes remedial action when appropriate.

The University of North Texas System also takes actions to prevent retaliation against individuals who oppose a discriminatory practice, file a charge, or testify, assist or participate in an investigative proceeding or hearing.
