Job Description

The Department of Curriculum and Instruction, College of Education (CEDU) at the United Arab Emirates University (UAEU) is seeking a full time faculty member at the rank of Assistant or Associate Professor. Qualified candidates should have substantial experience in either math or science education. The successful candidate will work as part of a highly dedicated team to produce skilled graduates in the field of education. Candidates are expected to have a PhD in math education or science education, an established research capacity and evidence of ability and experience in supervision and teaching graduate students. Interested individuals should include in their application package the following: a detailed curriculum vitae; a covering letter; courses taught, email addresses of three referees. Applicants are expected to be fluent in the English language. Screening of applications will begin immediately.
