(CIAE) at the Institute of Education of the Universidad de Chile, located in the city of Santiago, the capital of Chile. The positions are in any of the following research areas (for more details about each area please go to the specific link).

- Language and Literacy Teaching and Learning (More information)
- Teacher Professional Development (More information)
- Integrated STEM (More information)
- Education Policy (More information)

Candidates should exhibit evidence of outstanding research results and should have received a PhD between January 2018 and November 16, 2020.

The position is for full-time research activity, with no teaching duties. The preparation of the candidates and their interests should enable them to contribute to the research agenda of CIAE.

CIAE will cover flight tickets, and will pay a monthly salary of Ch\$1,800,000 (before taxes, around US\$2,400).

The application process will be opened until November 16, 2020.

After completing the application form you will receive a confirmation email with a link that you must send to the people who will write your recommendation letters.

Applications for which two recommendations are not received by the application deadline will not be considered.
