**Job Description**

Mathematics Non-Tenure Track Instructor

Pending budgetary approval, the Program of Mathematics and Statistics at Louisiana Tech University anticipates filling a non-tenure-track instructor position, commencing September 1, 2021. A successful candidate is expected to teach mathematics courses that serve general education requirements, elementary education majors, and/or first-year engineering and science majors. Candidates must possess excellent teaching credentials as well as a Master's Degree with a minimum of 18 graduate hours in mathematics and/or statistics by the start date.

The Program of Mathematics and Statistics is housed in the College of Engineering and Science, whose vision is to be a world leader in integrating engineering and science in education and research.

The College opened a new \$40M integrated engineering and science education facility in November 2019 and is undertaking an aggressive recruiting campaign to attract culturally and academically diverse faculty of the highest caliber. To build a diverse workforce the College encourages applications from individuals with disabilities, minorities, veterans and women. Louisiana Tech is a doctoral granting public institution that enrolls over 11,000 students from 48 states and 68 foreign countries.

Applications Open May 10th, 2021

Review of applications and nominations will begin May 10th, 2021 and will continue until suitable candidates are identified. The starting date for the position is September 1, 2021.

The Program of Mathematics and Statistics offers a B.S. and an M.S. degree in Mathematics and is a major participant in the interdisciplinary Ph.D. program in Computational Analysis and Modeling.
