HBMSU is seeking to appoint a full-time Assistant/Associate/Full Professor in Gifted and Talented Education to supports the University's mission of providing learner-centered, quality smart learning. This involves teaching effectiveness, professional development, research and scholarly/creative activities, institutional service, professional and community service, student advising and involvement, and supervisory responsibilities as assigned. The appointee will join the School of e-Education and will be expected to familiar with online teaching platforms and pedagogies, develop smart content for relevant courses, work on quality research. Applicants must also demonstrate a commitment to their discipline through scholarly and creative activities.

#### Main Roles & Responsibilities

- \* Teach both undergraduate and postgraduate courses using online learning platforms and smart technologies.
- \* Write and develop e-content in the gifted and talented education field/programs.
- \* Supervise, advise and mentor learners in their academic study plan and master and Ph.D. theses.
- \* Develop and deliver professional short courses and workshops for target groups and professional communities.
- \* Train and advise teachers and other target audiences on future skills.
- \* Publish research in high quality Scopus indexed journals.
- \* Write and apply for research grants in smart learning and innovative pedagogy projects.
- \* Perform administrative duties as needed.

#### Required Qualification & Skills

- \* Hold a Ph.D. Degree from an accredited university relevant to the above discipline;
- \* Have advanced skills in using online learning technologies tools and pedagogies,
- \* Have more than 5 years of experience teaching undergraduate and postgraduate courses, curricula, and programs in gifted and talented, educational \* psychology, measurement and assessment, and educational counseling for gifted learners;
- \* Have conceptual, analytical, technical, and operational competence in the field of curriculum design, development, and implementation in the field of gifted and talented education;
- \* Have an established research record;
- \* Knowledge of Arabic is an added advantage.
