College of Liberal Arts, School of General Studies

Adjunct Faculty

Math -To teach undergraduate general education math courses courses in-person at the Union campus. Courses include Basic Algebra, Statistics, Foundations of Math, and Problem Solving. Leading supplemental learning instructional sessions with students may be required. Candidates with experience in student centered teaching methodologies such as small group instruction, flipped classroom design, cooperative, inquiry and project-based learning are desired.

Please note that our adjunct faculty positions are filled on an as-needed basis. Qualified candidates may be contacted if and when there is an available opening or possible future opening.

All adjunct positions require a master’s degree in a related field and teaching experience unless otherwise indicated; candidates with an ABD, Ed.D., Ph.D. or other acceptable disciplinary doctorate are encouraged to apply. Proficiency in a Learning Management System is required, consistent with University guidelines.

Please submit a cover letter (indicating availability for days, evenings or weekends), resume and contact information for three professional references. Review of applications will begin immediately and be on-going. Official transcripts are required before appointment.

Attention current Kean University employees (including part-time Student Assistants, Graduate Assistants, Academic Specialists and Adjuncts): Please apply via the internal career site to ensure consideration as an internal candidate. To apply internally, please log into your Workday account and select the Career icon on your homepage to view available positions.
