Minimum Qualifications

- Ph.D. in Agricultural Leadership, Education, and Communication (or related field) by hiring date.
- Three years, minimum, classroom experience as a certified school-based agricultural educator holding a current agricultural education teaching license in the United States.
- Demonstrated ability to manage an agricultural mechanics facility.
 - Including: experience managing equipment, project planning/design, maintaining inventories, purchasing, scheduling, and facility supervision.
- Demonstrated ability to teach modern agricultural mechanics courses and skills.
 - Including, but not limited to: power systems, home/farm electrification, wood construction, and hot metal work.
 - Experience with emerging and innovative technologies in agricultural mechanics
- Demonstrated ability to successfully advise student research.
- Demonstrated ability to advise student professional organizations in agriculture (e.g. ATA, ???, AE, FAST, etc.).
- Demonstrated ability to contribute to collaborative efforts between agricultural leadership, education, communications, and extension faculty.
- Superior communication and interpersonal skills.
- Ability to work on a fast paced and active team.

Desired Qualifications

- Experience teaching agricultural education preservice teachers.
- Experience supervising preservice school-based agricultural education
- Experience with recruitment.
- Research and scholarship experience in agricultural leadership, education, and communications.
