- Recruit and retain student participants
- Develop and implement academic courses, research, and mentoring activities
- Create and organize student programs
- Provide academic and personal advisement to student participants
- Outreach to parents and community stakeholders to build collaborative partnerships
- Manage a caseload of students

We invite individuals to apply whose perspectives and experiences will enrich and strengthen our organization. The Science and Technology Entry Program serves a diverse constituency of patrons, and our employees, services and policies strive to honor and reflect this diversity. We encourage candidates who thrive in a welcoming multicultural environment to apply.

The Science and Technology Entry Program (STEP) is a grant funded program that prepares secondary school students (in grades 7 to 12), who are either economically disadvantaged or historically underrepresented for entry into college and improves their participation rate in mathematics, science, technology, health-related fields and licensed professions. For further information please visit our website at: <https://www.buffalo.edu/cpmc/step/about.html>

Minimum Qualifications

- Bachelor's Degree in Education, Psychology, Counseling, Social Work, or a related field
- One or more years of teaching or counseling experience
- Experience working with underrepresented populations and /or afterschool programs.
- Experience with lesson planning, classroom management and the use of data in practice.
- Strong interpersonal communication skills with ability
