As part of a diverse community of faculty and staff who represent many faith systems and worldviews, Marian University is seeking a Literacy Training Support Specialist (LTSS) located in Evansville who will promote our Catholic Franciscan mission and identity by providing key training and support to school-based literacy coaches in the Indiana Literacy Cadre program. The [Indiana Literacy Cadre](#) is supported by the Indiana Department of Education to provide collaborative professional development for K-3 educators across the state based on the science of reading. This individual in this position has knowledge of science of reading, especially in early literacy instruction and assessment, and instructional coaching. The LTSS will plan and lead professional learning for literacy coaches and work with literacy coaches and administrators to review and respond to student achievement data in literacy. This position is open across the state of Indiana to serve schools by regions across the state.

### **Essential Duties and Responsibilities:**

- Actively engage the Catholic Franciscan mission and identity of Marian University by modeling the Franciscan Sponsorship Values and honoring the legacy of the founding congregation through transformative education, unity in diversity, leadership through service, integrating faith and life, and institutional policies.

### **Summer Training**

- Actively participate in training across the project focused on instructional coaching and literacy instruction and assessment.
- Support planning and facilitation for the Indiana Literacy Cadre coaches and administrator training;

### **Ongoing Coaching Support**

- Develop and maintain supportive relationships with school administrators, instructional coaches, and school faculty;
- Share LTSS Roles and Responsibilities with leadership and coaches of our Indiana Literacy Cadre schools;
- Visit participating schools, in person, at least once per month;
- review curriculum, instruction and assessment related to research-based reading instruction;
- support robust instructional coaching - mini and full cycles that include data-driven outcomes;
- review class level, grade level progress monitoring data; and
- review and analyze local formative assessment data during interim assessment windows.
- Support school administrators in their goals for continuous school improvement in literacy
