Job Description	

Job Description

Stevens Institute of Technology is looking for skilled and experienced adjunct faculty members to teach online graduate-level courses. Previous online teaching experience is strongly preferred.

Responsibilities include preparing and maintaining course materials and syllabus, teaching assigned classes, grading and providing appropriate feedback to students, holding office hours online, and performing course assessment.

The instructor will teach during their assigned semester as well as have opportunities to teach multiple sections and/or courses in subsequent terms. This is a part-time position.

Qualifications:

- Master's (required) or Ph.D. (preferred) in related field.

- Previous teaching experience in the subject area is required.

- Experience teaching in an online environment is preferred.

Stevens values diversity and seeks candidates who can contribute to a welcoming climate for students, faculty and staff of all races and genders. We are an NSF ADVANCE institution committed to equitable practices and policies and strongly encourage applications from qualified women and minority candidates as well as veterans and individuals with disabilities.
