Job Description

The Department of STEM Education in the College of Education at the University of Kentucky invites applications for an Open Rank Position in STEM Education with an emphasis and/or concentration in Secondary Mathematics Education - STEM Education. The position is regular title series, tenure-eligible. This is a nine-month appointment, effective August 16, 2025. Responsibilities will be divided among research, teaching, and service, with faculty in this position typically expected to teach a 2-2 course load. The ideal candidate will have a demonstrated ability to integrate their teaching and service with research that aligns with the department, college, and university's mission.

Responsibilities include the following: teach two courses each semester (fall and spring) such as secondary mathematics methods in an embedded school context and other undergraduate and

graduate courses in the STEM education department; collaborate with school partners; lead the STEM education - secondary mathematics program; and conduct a line of research relevant to the department and university's mission (e.g., peer reviewed publications, presentations); seek external grant funding; serve on masters and doctoral committees; and provide service to the department, college, university, and profession.

You are eligible for a generous benefits package as a University of Kentucky faculty member focusing on your total well-being. Additional information and updates to benefits can be found at:

<https://www.uky.edu/hr/benefits> Interested applicants should submit a UK Online Application at www.uky.edu/ukjobs.

Application review will begin October 15, 2024. For questions regarding the position, please contact Dr. Cindy Jong - cindy.jong@uky.edu and Dr. Kun Huang k.huang@uky.edu, co-chairs of the search committee.

The application should include the following:

- a detailed cover letter noting academic credentials and professional experience related to the responsibilities for this position (upload under Cover Letter);
- a curriculum vita (upload under Curriculum Vita);
- statements on research, teaching, and service (upload under Specific Request 1); and
- contact information for three professional references (when prompted in the application).
