As an educational specialist, you will engage in activities related to the educational process within the academic setting and the delivery of educational services in nonacademic settings in specialties such as learning disabilities, speech pathology, audiology and language assessment. Tasks may include:

- Carrying out objectives of the program
- Complete tasks within defined criteria
- Develop programs and evaluation
- Prepare and publicize training curricula and materials

This is a pooled posting positions are filled on an as needed basis.

About The University at Buffalo

The University at Buffalo (UB) is one of Americas leading public research universities and a flagship of the State University of New York system, recognized for our excellence and our impact. UB is a premier, research-intensive public university dedicated to academic excellence. Our research, creative activity and people positively impact the world. Like the city we call home, UB is distinguished by a culture of resilient optimism, resourceful thinking and pragmatic dreaming that enables us to reach others every day. Visit our website to learn more about the [University at Buffalo](#).

As an Equal Opportunity / Affirmative Action employer, the Research Foundation will not discriminate in its employment practices due to an applicants race, color, religion, sex, sexual orientation, gender identity, national origin and veteran or disability status.

Minimum Qualifications

- Requires a bachelors degree in a specific disciplinary field and, in the case of supporting services, certification: e.g., NYS certification as a speech therapist. Some positions may require provisional NYS teaching certification.
- Job experience at this level is usually limited.
- Requires ability to research subject matter and prepare an analysis of data gathered and assembled, and to coordinate activity with that of others involved in delivery of services.
