### **Main roles & responsibilities**

The successful candidate will play a vital role within the school of e-Education and is expected to be present on the Dubai campus during working hours. Responsibilities include:

- Teaching: Deliver engaging graduate courses utilizing advanced online learning platforms and innovative technologies.
- Curriculum Development: Design instructional materials and e-content tailored to the field of Educational Technology.
- Mentorship: Guide, advise, and mentor students throughout their academic journeys.
- Professional Development: Create and facilitate professional short courses and workshops aimed at specific target groups and professional communities.
- Research: Enhance the academic landscape by publishing research findings in high-quality, peer-reviewed journals. Developing proposals and pursue funding opportunities for research related to educational technology or associated fields.
- Service: Undertake necessary responsibilities to support academic programs and their accreditations.

### **Required qualification & skills**
