Main roles & responsibilities

The successful candidate will play a vital role within the school of e-Education and is expected to be present on the Dubai campus during working hours. Responsibilities include:

- Teaching: Deliver engaging graduate courses utilizing advanced online learning platforms and innovative technologies.
- Curriculum Development: Design instructional materials and e-content tailored to the field of Educational Technology.
- Mentorship: Guide, advise, and mentor students throughout their academic journeys.
- Professional Development: Create and facilitate professional short courses and workshops aimed at specific target groups and professional communities.
- Research: Enhance the academic landscape by publishing research findings in high-quality, peerreviewed journals. Developing proposals and pursue funding opportunities for research related to educational technology or associated fields.
- Service: Undertake necessary responsibilities to support academic programs and their accreditations.

Required qualification & skills

Candidates should possess the following qualifications and skills:

- A Ph.D. in Educational Technology from an accredited university where English is the language of instruction.
- The candidate should be capable of teaching at graduate levels.
- A demonstrated record of successful teaching experience at an accredited university.
- Experience in online/e-learning environments is required.
- Ability to integrate industry insights into curriculum development and classroom instruction.
- Proven capability in developing and delivering professional workshops.

Rank and Appointment:

Candidates will be appointed as Assistant or Associate Professor based on the following criteria:

- A minimum of 5 years of academic experience in a university setting for the Associate Professor position.
- A strong research profile with high-quality publications and impactful contributions.
- Evidence of holding the same title at the time of application or from the last employing institution.
