Position Overview

The Huntsville Center offers a variety of technical Prison Education Programs to Texas Department of Criminal Justice (TDCJ) residents. This is an instructional position within a correctional environment teaching an all-male or all-female student population. Students are required to meet academic and security requirements for enrollment consideration.

Essential Duties & Responsibilities

- Teach freshmen and sophomore level courses to college students in the Texas Department of Criminal Justice (TDCJ).
- Qualified applicants must be committed to student learning, integrating technology into the curriculum, and encouraging engaged scholars.
- Teach assigned classes in keeping with approved syllabi, outlines, and instructional materials.
- Maintain accurate student records in compliance with Lee College requirements.
- Submit required student reports to the Admissions & Records Office according to schedule.
- Direct and evaluate the learning experience of the students in accordance with adopted curricula and approved procedures.
- Provide counsel/guidance to students when there is a need.
- All faculty members are required to be on campus thirty-five (35) hours per week and participate in professional development activities, department and college committees, commencement, and other activities as stated in the Faculty Workload and Responsibilities Policy.
- Faculty members may be required to teach evening and summer classes.

Additional Duties & Responsibilities

- Service on College committees as assigned.
- Attend professional development opportunities when appropriate.
- Attend the annual graduation ceremony.
- Perform other duties as assigned.

Minimum Education, Experience, Knowledge, Skills & Abilities

- Associate's (or higher) degree in Welding or a related field with five (5) years of work experience in Welding; or
- No degree with ten (10) years of work experience in Welding including two (2) years in a
