Job Description

The University at Buffalo (UB) [Science and Technology Entry Program \(STEP\)](#) seeks to hire a Program Coordinator to oversee student recruitment and programming. The Program Coordinator will establish, cultivate, and steward relationships with internal and external partners as appropriate to further the mission of UB STEP. This position reports to the STEP Director.

Key accountabilities and responsibilities:

- Recruit and retain student participants
- Develop and implement academic courses, research, and mentoring activities
- Create and organize student programs

Program Coordinator STEP, Science and Technology

- Provide academic and personal advisement to student participants
- Outreach to parents and community stakeholders to build collaborative partnerships
- Manage a caseload of students

We invite individuals to apply whose perspectives and experiences will enrich and strengthen our organization. The Science and Technology Entry Program serves a diverse constituency of patrons, and our employees, services and policies strive to honor and reflect this diversity. We encourage candidates who thrive in a welcoming multicultural environment to apply.

The Science and Technology Entry Program (STEP) is a grant funded program that prepares secondary school students (in grades 7 to 12), who are either economically disadvantaged or historically underrepresented for entry into college and improves their participation rate in mathematics, science, technology, health-related fields and licensed professions. For further information please visit our website at: <https://www.buffalo.edu/cpmc/step/about.html>.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit - all in an effort to support your work-life effectiveness.
